

## **The [Fight] Hunger Game Will Kick Off the May Regional**

Tuesday evening, May 22, the GNYBA will be holding a special charity game in partnership with City Harvest to raise money for their Skip Lunch, Fight Hunger campaign. Money raised will be used by City Harvest to provide meals over the summer months for kids who would otherwise be eligible for school breakfasts and lunches.

Game time is 7:00 and the entry fee is \$30. As part of the festivities, there will be an open bar where you can get – at no charge – beer, wine, soda or juices and we will provide discount coupons for coffee from the Hilton Lobby which will be good for the entire run of the tournament. There will be a stratified 0-299 section and a stratified open section. In addition, to raise more money we will be selling raffle tickets at the game for prizes that include dates with bridge pros at all levels, lessons, on-line tournaments and more.

For questions or to make a reservation for the game e-mail Allison Rudary at [AllisonGNYBA@gmail.com](mailto:AllisonGNYBA@gmail.com)

If you can't make the game but want to contribute, you can go to GNYBA [team page](#) on the City Harvest website and make a donation. It's worthy cause and the GNYBA hopes you will help in our effort to help hungry kids in New York.
